THE SANTORINI - MCDONALD JONES HOMES

The Santorini stylishly embraces all the features of a modern home with its Retro, Tropicana or Ultra Contemporary elevations and a floor plan to suit the most discerning modern family. From its architectural facades to the spacious well designed living areas, The Santorini provides the ultimate home with self-expression. With a variety of elevations this home will most definitely suit a wide range of locations and lifestyles. A home created to combine relaxed, family living, with a wonderful sense of entertainment. Like the addition of a Home Theatre, cleverly located towards the rear of the home. Discover the enormous chef's kitchen with the latest imported European appliances, gourmet benches and a walk-in-pantry. Sliding doors from the Master Suite lead out to the optional Alfresco creating a resort style feeling. Spacious his and her dressing rooms and a glamorous ensuite make this Master Suite a must have.
