

HILL TOP

Beautifully positioned on a sealed & quiet road on the outskirts of the village precinct is a rare opportunity to acquire a newly subdivided block of land. Surrounded by established quality property & pristine bushland with approximately 5 cleared acres that are newly fenced & ready to build a dream home with town water attached.

The remainder of the land is lightly timbered & gently slopes to the Rocky Water Holes Creek Reserve. It is an ideal bush escape with a wide variety of natural flora & fauna.

Arrange an inspection today!
